J McEvoy visiting the village on 21.04.2016 to consider making improvements to the routes which are used by the pilgrims visiting Skanda Vale. Clerk to confirm the time. Annual Meal – Clerk gathering Councillors menu choices for submission to Railway Inn. Bus Stops – MP met with Hedydd Rees on 29.04.2016 and surveyed the bus stops. Councillors requested that Hedydd Rees submit an estimate for the repair and maintenance work. MP also mentioned the 4 benches (Railway, Pantycelyn, Church, Parc Celynin) and that the bench near the Church was in poor repair. DD requested MP to contact Hedydd Rees to ask him to remove the bench if it was in a dangerous condition. DD suggested buying another bench. PJ mentioned that Derick Lock was ordering benches on behalf of the Welfare Committee; Clerk to contact Derick Lock to enquire about price for an additional bench. DD proposed, DJ seconded.
